

SPORT INTEGRITY PACT

This is a difficult and transformational moment in the history of global Sport. The challenges we Sport faces are diverse, complex and require immediate action. To overcome such challenges and emerge from this period of uncertainty and instability rapidly, strongly and with Integrity, Sport and the wider industry must unite and lead by example. The need for global leadership and concerted action has never been greater and more urgent. The engagement of the entire Sport movement, including governments, international organisations, sports governing bodies, competition organisers, athletes, fans and all other Sports stakeholders is critical.

Accordingly, on the occasion of the SPORT INTEGRITY WEEK 2022, the undersigned, #StandWithSIGA and publicly commit to the **Sport Integrity Pact**, hereby announcing their pledge to advance, promote, adopt and actively implement the following

Sport Integrity GOALS

Good Governance: Sports Organisations must govern themselves and operate under the highest governance principles, including democracy, transparency, accountability and stakeholder engagement.

Outstanding Ethical Conduct: Sports Organisations, including sports executives, athletes, coaches and referees, must uphold and respect the fundamental principles of Sports ethics, which reflect the values of fair play, solidarity, respect for the rule of law, human rights, dignity, integrity, diversity and inclusiveness.

Accountability: Sports Organisations must take accountability for their own affairs and implement a zero-tolerance policy against all types of criminality (including corruption, bribery, money laundering, tax evasion, smuggling and the trafficking of minors), as well as racism, violence and all forms of abuse and discrimination.

Legality: Whilst recognising Sports' specific nature and autonomy, Sports Organisations must respect and comply with all applicable laws and regulations in the governance, regulation and administration of Sport.

Scrutiny: Sports Organisations must implement and comply with the SIGA Universal Standards on Sport Integrity and be independently scrutinised through SIRVS.
