Diversity and Respect = Integrity

We are all different, and we respect each other.

“The Integrity Match proves that we can change anyone's mindset to respect integrity in sports, preserving the exciting unpredictability of game results and promoting fair play.”

Sports show us that it's not only possible but also natural to embrace diversity respectfully and include everyone. By doing so, we reject all forms of prejudice, like racism, sexism, and any kind of exclusion of those who are different.”

ROBERTO ARMELIN, Legal Director, and Compliance Officer, São Paulo FC

POLITICAL AND INSTITUTIONAL ENDORSEMENTS

We have seen over the years the words transparency and integrity have meaning, but there is no real action. SIGA is correctly trying to rectify that, so I felt it was my duty to contribute. We need to change the mentality and I feel like as I'm starting individually as an entrepreneur it made sense to partner with SIGA.

Louis Saha
SIGA Champion; International Football Legend; Founder & CEO AxisStars

We have adopted in the G20 Anti-Corruption Working Group Acti-vity an action plan considering Sport as an emerging risk. I want to thank SIGA for all its efforts and for including corruption in Sport in the multilateral agenda as an emerging issue.

Giovanni Tartaglia Polcini,
Chair of the G20 Italy AntiCorruption Working Group; Chair, SIGA Council

I welcome SIGA's proposal to put in place Universal Standards on Sport Integrity and an Independent Rating and Verification System (SIRVS), which will be very useful to restore people's trust in Sport.

Lorenzo Salazar,
Deputy Chair of the OECD Working Group on Bribery in International Transactions, General Prosecutor, Naples Appeal Court, Contact Point, EUROJUST:

Knowledge sharing and constructive dialogue are essential to make sure that organisations are in the best position to tackle those issues. This agreement with SIGA, a valued partner and a global leader on sport integrity, is therefore an important step in this direction.

Aleksander Čeferin,
UEFA President

SIGA's efforts to create and implement certification programme are key to the accountability that is required across sport to create the mechanism that allows sport to have specific & quantitative standards that put us all accountable to some benchmarks.

Jessica Berman,
Commissioner, NWSL

We're committed to working with organizations like SIGA to bring diverse perspectives to the table to unlock powerful ideas that open up the world's possibilities to women -in sport and across industries.

Alison Giordano,
Senior Vice President, Global Sponsorships & Consumer Marketing, Mastercard
